Transport Service

Transport for your guests is particularly important, as in Ibiza it is not possible to book taxis except for transfers to the airport. Therefore we strongly advice to offer at least return transport from your wedding venue to resorts as it is very difficult late at night to call large numbers of taxis

We work exclusively with the largest registered transport companies on the island who offer a range of minibuses and coaches, from 7 seaters to 55 seaters.

Let us know details such as timings, locations and amount of guests and it will be our pleasure to provide you with prices.
